### THE ENGLISH MONTHLY

#### Your key to life in the city

This student guide is brought to you by the English-language magazine *InMadrid*. For more than 12 years we have been bringing the best of the city to foreigners and Spaniards alike — all handily penned in the English language.

#### The monthly mag

*InMadrid* is a free monthly magazine produced by an international team of writers with one thing in common: a love of this city. To keep up to date with concerts, art, theatre, nightlife and culture in the capital, make sure you don't miss a single issue! On the first of every month, you'll find the magazine at the distribution points listed on page 50.

#### The website

If you can't find us on the street, then check out [www.in-madrid.com](http://www.in-madrid.com), where you'll find extracts from each month's issue, useful information about Madrid, as well as PDF versions of the magazine. You can listen to podcasts produced by our writers,

sign up for our monthly newsletter to get all the latest Madrid information sent directly to your inbox, and find jobs in our online classifieds section.

#### The student guide

*InMadrid's* Student Guide contains everything you need to know to get you started when you're studying in Madrid. On these 68 pages you'll find all the best clubs, restaurants, shops and bars, as well as advice on finding a flat, phone or *intercambio* — all the insider information you need to help you make the most of the Spanish capital. Enjoy!

#### INTERNSHIPS
